The next few questions are about the different types of income people may receive. We don't need to know the amount from each source.

Your responses can help us understand how people manage financially as they age.

Please feel free to refer to any records or other persons that may be of assistance in answering these questions.

Many of these questions ask about “last month.” By last month, I mean in \{CURRENT MONTH – 1\}.

- Supplemental Security Income
- the Veteran’s Administration
- [a pension plan] [any retirement accounts]
- [mutual funds or stocks] [bonds]
- [bank accounts] [CDs] [business, farm or real estate]
